The EO Officer or designee will facilitate a dialogue with the parties in an attempt to reach a resolution. At no time prior to the resolution of the matter shall either party question or confront the other, or engage a third party to do so, outside the presence of the EO Officer or designee.

## Investigation Process

### 1. Complaints and the Respondent's Response

If a complaint has been properly filed, or the University otherwise determines that an investigation is necessary, the University will assign the matter to an Administrative Investigator. The University may also designate other trained and knowledgeable University officials to assist with the investigation. Under circumstances where the University deems it necessary or appropriate, the University may also appoint an external investigator.

The Administrative Investigator will notify the respondent of the complaint, provide him or her with a copy of the complaint, and invite the respondent to submit a written response. See the model Notice to Respondent attached to these Procedures. If the respondent does not respond, or otherwise fails to participate in the investigation, the Administrative Investigator will complete the investigation on the basis of the other information obtained.

Where a complaint is brought by a third party reporter, the Administrative Investigator shall attempt to meet with the potential complainant to discuss his/her participation in the investigation, and to gain additional information.

### 2. Counterclaims

At times a Respondent may assert a counterclaim against the Complainant in which the Respondent alleges that the Complainant has engaged in conduct that violates the EO Plan. Such counterclaims are treated as separate complaints under the EO Plan.

Under such circumstances, the Investigator will notify and/or provide a copy of the Respondent's complaint to the Complainant for his or her response in the same manner that the initial complaint is provided to the Respondent.

The University has the discretion to consolidate into one investigation all complaints between a Complainant and a Respondent (or among multiple parties), if the evidence related to each incident hahahnc e
